SKILLS

- **Languages:** C++, JavaScript, PHP, React, Nodejs
- **Frameworks:** HTML and CSS, Node.js, React.js, Tailwind Chart.js
- **Tools/Platforms:** MySQL, Git & GitHub, VS Code, MongoDB
- **Soft Skills:** Problem-Solving, Adaptability, Time Management, Team Collaboration

PROJECTS

- Movie Ticket Booking System:** | [github](#) | [link](#) Feb'26
- Engineered a scalable movie ticket booking platform allowing users to explore movies, manage bookings, and access personalized booking history.
 - Implemented secure authentication, role-based access control, and RESTful APIs using the MERN stack for seamless data processing.
 - Developed a responsive and intuitive interface with enhanced performance, real-time updates, and structured database integration.
- Student Performance Predictor Dashboard:** | [link](#) Aug'25
- Designed a data-driven dashboard to predict student performance using academic indicators such as test scores, attendance, and engagement.
 - Applied DSA concepts and used HTML, CSS, JavaScript, Tailwind CSS, Chart.js, and Local Storage to build real-time analytics and data handling.
 - Enhanced performance tracking through interactive charts, responsive visualization, and improved usability.

TRAINING

- Basics of Data Structures & Algorithms | Lovely Professional University (CPE)** Jul'25
- Completed a certified skill development training on core Data Structure & Algorithm fundamentals.
 - Covered key concepts such as arrays, linked lists, trees, graphs, and algorithmic problem-solving.
 - Implemented basic coding problems to strengthen logical thinking and optimize problem-solving approaches.
- Ethical Hacking Industrial Training | Code Sprint** Mar'24
- Fulfilled a 30+ hour live industrial training program in Ethical Hacking and Cybersecurity.
 - Covered cybersecurity fundamentals, vulnerability assessment techniques, and practical ethical hacking practices.
 - Gained hands-on exposure to security tools and techniques for identifying and mitigating system vulnerabilities.

CERTIFICATES

- Successfully passed the official Hacker Rank JavaScript (Intermediate) certification test. Nov'25
- Privacy and Security in Online Social Media (NPTEL) – Successfully completed and certified by IIT Madras. Apr'25
- Finished a structured 3-month offline course in C & CPP at Thuqlak Institute, Namakkal, covering foundational to intermediate programming concepts. Jul'24

ACHIEVEMENTS

- **Secured 9th rank in the Hackathon: FINATHON:** Nov'24
Achieved 9th position among 500 participants in a 2-day national trading hackathon.
- **Completed 300+ Hrs Course – Free Code Camp** Nov'23
Earned the Responsive Web Design certification after completing 300+ hours of guided practice.

EDUCATION

- **Lovely Professional University** Phagwara, Punjab
Bachelor of Technology - Computer Science and Engineering; **CGPA: 6.45** Since Aug'23
- **National Public School CBSE** Namakkal, Tamil Nadu
Intermediate; **Percentage: 71%** Jun'21 – Mar'23
- **National Public School CBSE** Namakkal, Tamil Nadu
Matriculation; **Percentage: 79%** Jun'19 – Mar'21
